Do you see that unfortunate young stock of man with a contracted face, yellow HARDWARE, temples, grimacing mouth, and wandering eyes? (AMERICAN ALOE.) This delicious preparation, made from the root of the American Aloe, (agavos), is the fa-vorite, and almost universal beverage of the inhabitants of the mountains of Peru, Mexico, and Lower California, where the plant grows in wild luxuriance. Their physicians con-stantly recommend it as a stimulant, and diurctic, in all diseases where such a remedy is indicated. One of the Proprietors, in trav eling through Mexico and Lower California several years ago, had confided to him by a Spanish Padre, the Recipe for its preparation. They now offer it to the public with the hope, that its high reputation as a remedy on the Pacific Coast, will be infinitely enhanced by its success upon the Atlantic. Its undoubted efficacy in Gravel. Gout, Chronic Rheumatism Incipient Dropsy, Flatulence, Colic Pains; in Obstructions in the Bladder, Kidneys, and Urinary Organs; in Dyspepsis, and General Debility, and in Exhausted Vital Energy—is unrivaled. It is considered by the Mexicans to be an absolute specific for Scurvy.
